March 2021

To Whom It May Concern,

Kingsbridge Rugby Football Club have been associated with Kim and James Prestwood at Sports Lighting for a number of years now and have been grateful to them for the installation of floodlights on two of our pitches and the ongoing maintenance of those lights and another set on our third pitch.

We have always been delighted with the service that we have received from Kim and James and the service and reliability when we have had issues to deal with.

We would have no hesitation in recommending Sports Lighting to any club or organisation looking for a reliable and professional service.

Best wishes and Kind regards,

*Martin Newman*
