Dear Kim,

I would just like to email you a quick recommendation for your work at Salcombe Rugby Club.

“ I can't speak too highly of the service we got from Sports Lighting”.

They were business like throughout, helping us to convince the local LPA that we didn't need Planning Permission.

Thereafter they came to install quickly and to the time scale they informed us off in the beginning, communicated with us throughout the process.

They did an excellent job and tidied up afterwards. The end result is a great set of lights.” Which all the club members and committee were well impressed.

Thank you Sports Lighting.
