Dear Mr Prestwood,

I write following the recent upgrade of our pitch floodlights to LED fittings and wanted to express my gratitude for the professionalism of Sports Lighting on taking on this task.

From our initial meeting, the design of the new system, installation and snagging Sports Lighting have been exemplary. As a club, we are very pleased with the outcome and look forward to using the new lights with much improved coverage with cheaper energy consumption for both evening matches and training.

I would certainly recommend Sports Lighting to any other sports clubs who require your services.

Yours sincerely,
